ART

Open Art Studio - Volunteer supported

An open studio session where members can work on developing their own art pieces with support from volunteers

Art Studio

Textiles - Niki Hayward

Do you like working with craft materials, wool, fabrics? This session could be for you, work with our tutor to create piece of textiles for your home or person!

Pink Room

Introduction to Art - Helen Bridges

This session will introduce you to the basics of all the art mediums and help you begin to develop your skills as an artist. You must come here first if you're new to Core Arts

Art Studio

Drawing London - Rebecca Cartwright

This is a chance for you to explore the local area and beyond, using your artist eye you will create reflections of what you see under skilled tutelage

Art Studio and chosen locations outside

Developing Art Practice - Helen Bridges

In this session you will be able to examine your own art skills more closely and identify what you would like to work on through special themed projects.

Art Studio

Exhibition Projects - Volunteer and Tutor supported

At various times during the year this space will be used for artist members to create work for exhibitions both at Core and spaces in the community. Look out for posters advertising the next exhibition we're working to.

Art Studio

Developing Personal Practice - Sadie Murdoch

If you have already started to develop your practice as an artist this space will help you build your portfolio and identify what you can do to improve your skills and expand your potential to work as a professional artist

Art Studio

Ceramics - Throwing - Rebecca Cresswell

A chance to experiment on the throwing wheels with ceramic clay to create pots, plates and bowls. This session is for people with some previous experience in ceramics.

Pottery room - outside

Ceramics - hand building - Rebecca Cresswell

This is a session for beginners to advanced artists who want to work with different forms of ceramic clay to create ornaments, sculpture, plates, bowls and much more!

Art Studio

Botanical Drawing - Rebecca Cartwright

The tutor will lead you through the techniques needed to draw, paint and sketch different plants and flowers. Through this session you will be able to develop your artistic skills and work with a skilled artist.

Art Studio

Printmaking - Ryan McClelland

This session aims to develop the creative potential of each student through encouraging experimentation and improvisation, to advance the practise and understanding of all forms and combinations of print media.

Art Studio

Portrait Class - Mark Clay

This class will develop your skills in portraiture through different art media. Focusing on a different model every few weeks you will learn how to produce a piece of art based on the sitting

Art Studio

Special Projects - Massimo Nazzulo

Massimo will be introducing specialised techniques and tools to use in the art process during one off sessions which will take place at various points during the term, look out for posters!

Art Studio and workshop

Life Drawing - Rebecca Cartwright

This introduces the participants to working with the human form through different art mediums

Hall

CORE COUNCIL

Have your say - 12pm in the hall

Core Council meetings are held monthly and are a chance for members to contribute ideas, debate issues and discuss future developments at Core.

Any matters that you would like to be discussed can be put on the agenda sheet at Front of House.

Meeting dates 2010:

Thursday 25th Feb

Friday 26th March

Tuesday 20th April

Wednesday 19th May

Thursday 23rd June

Friday 16th July

MUSIC

Do you have a burning desire to develop your professional music business skills? Then come along and find out more! N.B. You will need computer skills to attend this session

Studio 1 and ICT suite

Sound Production - Harry Devenish

Post-production workshop developing your skills in editing, producing and recording your music

Control Room and ICT suite

Guitar - Chris Cook & Ben James

This is a group class where you can start as a beginner and develop your skills as a guitarist, alternatively if you are more advanced, come and have a jam, we explore a different song every week!

Hall

Music technology (beginners) - Neale Muldowney

Produce and compose your own music using the computers in the ICT Suite. N.B. Must have computer skills to do this course

ICT Suite

Music technology (advanced) - Harry Devenish

This is a more advanced Logic course for those who have worked with Neale on Friday afternoons. This will advance your producing and songwriting skills and help you create new music in the ICT suite.

ICT Suite

MIDI support

In this session you can work one on one in the MIDI suite to record, produce and compose your own tracks with the assistance of a volunteer. Look at the sheet on the MIDI room door for time slots N.B. you must be able to use a computer to access this time

MIDI Suite

One on one support in the MIDI suite

Thursday 10am-1pm (advanced class)

Neale Muldowney

This MIDI session is for more advanced musicians

Exploring songs - Lorraine Hayward

This session in the studio will help you explore songs you have written and songs other professional musicians have written. These will be explored through rehearsal and jamming helping you improve your ability to write and play songs with other musicians.

Studio 1

Open Jam - Lorraine Hayward

An open session for members to drop in a play with each other and experienced musicians, come along and have some fun making music with other like minded souls!

Studio 1

Song Structures - Lorraine Hayward

Drop in and learn about song structures, how they work in popular music and how to play them. Bring your own tunes and work on them to create a hit song!

Studio 1

Popular Singing - Gary Felts

Do you enjoy singing? Do you want to learn some new tunes? This is a relaxed session where you can sing your heart out with other members and volunteers.

Pink Room

Songwriting - Gareth Mitchell

In this session you can learn how to construct and write music as well as write lyrics for your songs. You will also have an opportunity to experiment with creating sound scapes and installations.

Studio 1 or the hall

African Drumming - Paul Brett

Come and play the djembe drums and have some fun making rhythms and beats in a group setting. This session may lead towards performances and working in the studio.

Hall

Special Projects - Paul Brett

Paul will be leading one off sessions based on producing work for exhibitions and gigs. At the moment this means he will be working across the departments in collaboration with creative writing and art.

Various

Easy Jam - Robbie Knight

An easy going jam to end the week, come and join in and relax with other like minded musicians in a mellow music session.

Studio 1

Roots Jam - Craig Shaw

An open jam session, exploring the roots of different music traditions through improvisation and experimenting with old and new songs.

Studio 2

CORE EVENTS

As well as the classes and workshops outlined in the current timetable be sure to look out for any new workshops that may be running or changes to the usual schedule. These are posted on notice boards around the building and are announced at the Core Council meetings. Events include:

- Film Club, every 2nd Thursday of the month
- Cinema Club, trips to the IMAX and local cinema
- Trips to galleries and museums
- Gigs and events at Core every 1st Friday of the month

We run tours of the centre once a week please contact esmith@corearts.co.uk to book a place on the tour or phone **020 8533 3500.**
