## Artistic Inspiration

It has been great to see lots of you still creating some beautiful art work at home and coming up with some unique ways to express yourself artistically, especially members who do not usually attend an art class. It has been a great opportunity for everyone to find their hidden talents at home. We hope you have been enjoying them. Keep sharing your work in your WhatsApp groups with your peers and also with your membership managers, as we love to see them! They have also been shared on our social media platforms, so keep checking back for our daily updates. If

you want to us to share your work on all of our platforms, do let your Membership Manager know too.

Andy Warhol at the Tate Modern in London.

For those seeking a little creative inspiration, The Royal Academy is enticing you to swap the crowds for a cuppa and tour some of the major exhibitions from around the

World. From Andy Warhol at The Tate Modern, to Tom Wudl The Louver in Los Angeles, to give you just a little snippet. These can all be found at the Royal Academy webpage [www.royalacademy.org.uk](http://www.royalacademy.org.uk). You can also watch our very own Helen Bridges on Vimeo for her tour on the Tate.

Tom Wudl at The Louver in LA

## Core Council Update

Although Core is still closed, we still had our monthly Core Council meeting on Thursday 23rd April 2020. It was great to see so many of our members, tutors and volunteers at the meeting. Some great ideas were shared from having an

online fashion show, live jamming session and even an online Disco! We will of course keep you updated if and when these go ahead. Lastly we would like to thank all the tutors, volunteers, members and staff for all their hard

work and community spirit that is still ever present at Core.

Thank You from Core!

# Members' Work...

We have had a great fortnight of work sharing from all of our membership. Poetry from Eleanor, Melody and Michael Beckham, as well as some beautiful art work by Cat, and a time-lapse sketch video from Jaghir. These can all be seen on our Facebook page, and are utterly brilliant. Kym has been super busy again too; putting together a Happy Thursdays Podcast which can be viewed on Vimeo and Sound Cloud and also recording an interview for Rebel Rebel radio station. Our volunteer Tom Bentall has also shared his music composition project; a series of 11 pieces based on the Earthsea books by Ursula Le Guin. Membership Manager, Rebecca, also got in on the action with the 'cup challenge' which you can view on Facebook, email her your efforts at [rdejouvencal@corearts.co.uk](mailto:rdejouvencal@corearts.co.uk)

Artwork by Cat

## More live classes

After the success of the live Core Sport classes we have been running for the last six weeks, we will be aiming to provide you all with some creative live classes in the coming weeks. These classes will be live on zoom, so if you don't already have the app you can download this from your app store or you can use it directly from your desktop by visiting [www.zoom.us](http://www.zoom.us). All you will need to do is create a free account using your own personal login details and you will be good to go! We will of course update you all when these classes go live as we are still in the initial set-up stage at time of printing. If you are having trouble accessing zoom or need some additional support, please let your membership manager know and we will be able to assist you over the phone remotely.

As the live pub quiz was a huge success and a great social night, we have turned it into a weekly event and we even got more people entering the second week. It was so lovely to see everyone joining in and having fun. This will take place every Friday at 7pm live on zoom which will consist of five round based on the departments of Core; Music, Art & Fashion, Multimedia and Literature, Sport, and Horticulture. All you will need to have ready is a pen, paper and a drink of your choice. There will be plenty of time to socialize too and catch up with friends, staff, tutors and volunteers. If you want to know the timetable of the other activities Core Sport are offering, please get in touch with either Laura or Michael and we will be happy to help you get involved and online.

## Creative Corner

Core has organised a 'View From Your Window' art project. Submit ONE photo of your view during lockdown and/or write a piece describing your view to capture a moment in time to [mail@corearts.co.uk](mailto:mail@corearts.co.uk). All entries will be showcased on our Facebook page and also collated on our website to form an online exhibition.
